

**Want convergence training or time  
in a local TV station or perhaps with a TV show under  
production?**

**The NATPE Educational Foundation invites you  
to spend part of your summer developing new skills!**

Applications are now being accepted for the 2018 Faculty  
Development Grant.

Submission deadline is March 30, 2018.

The Program allows teaching faculty to spend up to four  
weeks of the summer "interning" with a TV station, cable  
system, broadcast or cable network or program distributor in  
order to increase teaching effectiveness through a hands-on  
experience.

Applicants receive a grant of at least \$500 per week during a  
summer placement at a media firm and support to attend the  
2019 NATPE Conference.

Go to <https://www.natpe.com/education/programs> to find  
submission link.

If this opportunity isn't for you, please tell a colleague.
